37. Plaintiff was contacted by Defendant Lipomanis, and Defendant Periano, and she was informed they were retained to represent Suzanne Fico.
38. McElroy, Deutsch, Mulvaney & Carpenter, is not the attorney firm that represents Suzanne Fico's insurance company, since Suzanne was not properly insured in the State of New Jersey.
39. On or about October 20<sup>th</sup>, 2014, Plaintiff received a letter from Defendant Periano, on behalf of his attorney firm, and threatened Plaintiff that he "will pursue all available avenues of recourse" (sic.), if Plaintiff did not drop the malpractice complaint in the civil law division against Suzanne Fico.

Plaintiff was on a billboard for yoga, she was contacted by a popular television show regarding brand marketing, and earned her Series 6, Series 63, and her Life and Health insurance licenses, when she was a Financial Consultant. Plaintiff also opened a nonprofit organization, was proposed a business acquisition offer, was offered space in her uncle's mini mall to start her own business, and is self-published.
47. Plaintiff also immersed herself in volunteering, and other known philanthropic work.
48. Plaintiff found out Defendant Jodry enrolled her daughter into the school district Plaintiff's mother worked for before Plaintiff's mother retired.
49. There is reason to believe Defendant Jodry was obsessed with Plaintiff's life.
50. George Kapalka threatened Plaintiff's graduation the entire semester for no reason.
51. When Plaintiff rightfully told Kapalka retaliation is illegal, George Kapalka told Plaintiff she no longer had to complete her Graduate Internship to graduate.
52. This harassment and bullying eventually escalated into the office of the general counsel, Kapalka, several teachers in the psychology department, and faculty, illegally accessing and sharing Plaintiff's personal information.
53. On November 4<sup>th</sup>, 2014, Plaintiff logged the first complaint of harassment against Defendant Jodry, as well as several other complaints to the Psychology department, and Monmouth university after that.

55. Defendant Jodry was rather annoying to Plaintiff and also would refer to her as "Jac" in class.
56. On November 11<sup>th</sup>, 2014, Plaintiff became so distressed by Defendant Jodry's harassment, she properly emailed Defendant Jodry "leave me alone".

60. That same day, Plaintiff received an email from Gary Handler indicating he spoke to Defendant Jodry, and "she agreed" (sic.) with Gary Handler that Plaintiff could leave class early if she felt uncomfortable with Defendant Jodry's harassment.
61. On December 3<sup>rd</sup>, 2014, Plaintiff arranged another meeting with Gary Handler to address further harassment. Gary Handler told Plaintiff she could submit her assignments through him, in the absence of attending Defendant Jodry's class.
62. On December 4<sup>th</sup>, 2014, Plaintiff then received a harassing email from George Kapalka acknowledging Defendant Jodry's harassment against her, unethically deescalating her true and correct complaints of harassment and bullying, thereby putting Plaintiff in an intentionally retaliatory, abusive, and hostile environment.
63. Kapalka, Defendant Jodry, and Gary Handler were deliberate in their harassment against the Plaintiff, and they deliberately did not correct their behavior when the Plaintiff logged genuinely distressed, and emotionally wrought complaints of harassment, bullying, and professional misconduct.
64. On December 6<sup>th</sup>, 2014, Plaintiff received frivolous email from Stephanie Hall on behalf of Suzanne Fico.
65. On December 7<sup>th</sup>, Plaintiff emailed the president of the school, Paul Brown, and copied Kapalka, Gary Handler, and Defendant Jodry on the email, to formally complain of the harassment, and bullying against her.

66. On December 7<sup>th</sup>, 2014, (provided through Defendant Lipomanis's exhibits) George Kapalka forwarded the email complaining of harassment to Defendant Dimenna, and wrote, "Please see below. I hope we can talk soon."(sic.), in the body of the email.
67. On or about December 9<sup>th</sup>, 2014, Defendant Dimenna emailed Plaintiff and indicated the retaliation against her was deliberate, and he was doing nothing to stop or curtail it.
68. Defendant Dimenna then asked Plaintiff if she would meet with him.
69. Plaintiff refused to meet with Defendant Dimenna.
70. Because of this, Plaintiff included Defendant Dimenna, George Kapalka, Defendant Jodry, and eventually Monmouth university (December 29<sup>th</sup>, 2014) on the civil malpractice complaint she was prosecuting on her own, since the school failed to address her true and correct complaints of harassment, and bullying against her.
71. On December 23<sup>rd</sup>, 2014, Plaintiff emailed George Kapalka, Defendant Jodry, Defendant Dimenna, Stephanie Hall, and Paul Brown, of Monmouth university, Interrogatories.
72. Albeit Plaintiff was in communication with the attorney's representing Suzanne Fico in the civil malpractice complaint she was prosecuting on her own, she was not contacted by attorney's representing Monmouth university, George Kapalka, Defendant Jodry, or Defendant Dimenna.
73. There is reason to believe Defendant Dimenna was in possession of pictures, and other published, and non-published Professional work written by the Plaintiff.

81. Defendant Mitchell admitted Defendant Jodry took the picture of Plaintiff, and (Plaintiff's) her niece, with (Plaintiff's) her dog,, committed perjury (and libel slander), and lied to him indicating Plaintiff's (4 year old) niece (in the picture) was her 11 year old daughter (the spawn of satan).
82. Defendant Mitchell also admitted Defendant Jodry committed perjury (and libel slander) that Plaintiff had mental issues.
83. Plaintiff is highly skilled, and intelligent, as is of impeccable mental and physical health.
84. Defendant Jodry is not permitted access to privileged health information of graduate students.
85. Defendant Mitchell asked Defendant Jodry if Defendant Jodry was harassing the Plaintiff.
86. Defendant Mitchell failed to question why Defendant Jodry would have a picture of Plaintiff with (Plaintiff's) her niece, and (Plaintiff's) her dog, in the first place.
87. Plaintiff is Cuban, Haitian, Italian, French, and of African descent (with brown skin), and Plaintiff's niece is ethnic, with white skin, and brown hair.

90. Sane, intelligent, and logical people, that possess common sense, and that are trained to (impartially) investigate crimes are supposed to be keen on particularities of appearance, and can tell the likeliness in appearance of family of different races.
91. Sane, intelligent, and logical people, that possess common sense, and that are trained in (impartially) investigating crimes, can tell the difference between a four year old, and an eleven year old (child).
92. Defendant Mitchell is not sane, intelligent, logical, does not possess common sense, and is not intellectually fit to carry a weapon, and conduct (any) investigations in the United States of America.
93. Defendant Mitchell then conducted a bias and racial investigation against the Plaintiff, in the absence of approaching Plaintiff to get the truth.
94. In the absence of approaching, or calling Plaintiff to understand what was truly happening since she was being victimized at Monmouth university, Defendant Mitchell contacted Defendant Dimenna in the office of general counsel, one of Plaintiff's harassers.
95. Defendant Mitchell then conspired with Defendant Dimenna, and Charlene Diana, to attend Plaintiff's meeting with Diana, which was intended to hash out legal an academic issues, since she was being harassed and bullied by several teachers at the school, and Defendant Dimenna, in the office of general counsel, and she did not know what to do to make it stop.
96. Defendant Dimenna and Diana then informed Defendant Mitchell Charlene Diana and Plaintiff had a meeting the morning of January 14<sup>th</sup>, 2015, even though Plaintiff was informed the meeting between her and Diana would be confidential.
97. Defendant Mitchell admitted he coordinated it with Defendant Dimenna, and Diana, to be present at the meeting between Diana, and Plaintiff.
98. On the morning of January 14<sup>th</sup>, 2015, Plaintiff received a call from Diana's secretary requesting for Plaintiff to come to Diana's office at 3 pm, instead of the morning.
99. Diana's secretary escorted Plaintiff to Diana's office, where was cornered by Defendant Mitchell; he forcefully twisted her arms behind her back, and handcuffed Plaintiff in the absence of talking to Plaintiff, or asking her any questions.
100. Defendant Mitchell refused to speak with Plaintiff, and review any of the legal information she brought to the meeting between her and Charlene Diana.
101. Defendant Mitchell did not read Plaintiff her rights.
102. Plaintiff could not understand what was happening, and was scared.

104. Defendant Mitchell transported Plaintiff to Monmouth medical center where she was introduced to Dale Rafaniello, who told Plaintiff Defendants Monmouth university, and Monmouth medical "have a relationship" (sic.).
105. Defendant Mitchell also outlined in his admission statement from his Attorney, Defendant Dimenna, and Diana were illegally accessing and sharing Plaintiff's personal information with Monmouth medical, in the absence of the school addressing her factual complaints of harassment and bullying.
106. Dale Rafaniello then gave the okay, and then she, and a group of men restrained Plaintiff, strapped her to a hospital bed, stripped off her clothes while restrained, injected her with tranquilizers, which made Plaintiff feel as though she was being raped.
107. Amina Chowdhury illegally arranged Plaintiff's intake.
108. Rafaniello and the group of men then redressed Plaintiff while she was restrained and put her into nurses scrubs.
109. When the Plaintiff came to the next morning, she was confused and scared.

110. On January 16<sup>th</sup>, 2015, Defendant Scully signed Plaintiff's commitment papers, then Judges changed – Judge Bauman was the new assignment Judge for Plaintiff's malpractice complaint she was prosecuting in Court.
111. When Plaintiff called Judge's chambers and spoke to Defendant Scully's law clerk, Defendant Scully's law clerk placed Plaintiff on a long hold, and then told her Defendant Scully told her to contact the County Adjuster.
112. Mr. Robert, hospital staff worker, was mad Ranfaniello and a group of men restrained and bruised Plaintiff, and stripped Plaintiff's clothes off. Mr. Robert tracked down Plaintiff's clothes, and belongings, and Plaintiff's forearms were bruised.
113. In October or November of 2014, Matthew Geller introduced himself to Plaintiff while she was waiting for a bus in Long Branch to go to Freehold.
114. Matthew Geller approached Plaintiff smoking a cigarette, told her he worked in the psychology department across the street at Monmouth medical, and started asking Plaintiff personal questions, which made Plaintiff feel very uncomfortable.
115. Mr. Robert, and Mr. Pius were angry, and confused why Geller would not let Plaintiff leave.
116. When Mr. Pius approached Matthew Geller on behalf of Plaintiff, Geller told Pius that Plaintiff was being tortured based on her lawsuit, and graduate school.
117. Jackie Santiago, and Matthew Geller asked her questions tailored around her malpractice complaint against Suzanne Fico for Institutional racism, and graduate school.
118. When Plaintiff told the truth and answered that Plaintiff is (was) a graduate student which was also confirmed by Nina Anderson in the office of general counsel, and Plaintiff is (was) prosecuting a civil malpractice complaint on her own, they increased the drugs.
119. Nina Anderson in the office of the general counsel in no longer employed at Monmouth university.
120. This severe method of illegal torture was based on classical conditioning which is a psychological technique used for behavioral modification for the purpose to eventually trick the mind into believing something untrue, or controlling a behavior, through the induction of drugs, or a stimulus, in a controlled environment.
121. Plaintiff was brainwashed, felt very confused, felt raped, scared, in fear of further retaliation and losing her life, once she was able to figure out a way to get out of this.
122. If Plaintiff refused drugs, Matthew Geller instructed staff to restrain Plaintiff, and inject her body double the dose baseline, albeit Plaintiff has the right to refuse drugs in the State of New Jersey.
123. Plaintiff watched as Jackie Santiago, and Matthew Geller lied to the Judge Johnson under oath, and manipulated him in order to keep Plaintiff longer for when she was there based on Defendant Jodry's lies, and perjury.
124. Jackie Santiago deviously slid a copy of an email Plaintiff sent to Defendant Jodry noting the Plaintiff requesting for Defendant Jodry to "leave me alone" (Id).
125. Plaintiff saw the picture of her, with her niece (arm in arm), and her dog in their paperwork.
126. Plaintiff did not understand why there was a picture of her, with her niece, and her dog in their paperwork.
127. There is also reasonable suspicion Defendant Jodry, Jackie Santiago, Virginia Kenneman, and Maryanne Nagy know each other, all of which is illegal, and unethical in professional practice of psychology, medicine, nursing, and social work in the State of New Jersey.
128. Almost two weeks into Plaintiff's torture, Plaintiff found out Defendant Mitchell signed a complaint against her for harassment on behalf of Defendant Jodry.
129. Maryanne Nagy began making several harassing phone calls to Plaintiff's mother.

130. Plaintiff later found out from Jackie Santiago, that Defendant Jodry transferred her daughter into the same school district Plaintiff's mother worked for while she gloated to the class her daughter was home schooled.
131. After being tortured for about two weeks, Plaintiff found out from Jackie Santiago Defendant Mitchell charged the Plaintiff with harassment based on the crime Defendant Jodry committed against Plaintiff.
132. Defendant Mitchell admitted he charged Plaintiff with harassment based on Defendant Jodry's fraudulent claims, and through bias investigation that lacked merit, all of which resulted in Plaintiff's torture.
133. Nurses and other staff were angered about what happened to Plaintiff, and they were furious Defendant Geller would not release Plaintiff. They were angered Rafaniello stripped Plaintiff clothes off, restrained in a room full of men.
134. Plaintiff was tortured and brainwashed for over a month at Monmouth medical.
135. When Plaintiff refused for Amina to take her blood, Chowdhury transferred Plaintiff to Trenton, where she was tortured for another two months.
136. Once Plaintiff as able to figure out how to get out of this crime, she was terrified to go to Court to stand against Defendant Mitchell's fraudulent complaint, she was scared of police, and she was emotionally wrought, confused, and distressed.
137. On or about August 2015, Plaintiff went to Court to address Defendant Mitchell's complaint.
138. Plaintiff was holding back tears in the Courtroom.
139. When Plaintiff arrived, Defendant Jodry also showed up to Court.
140. Plaintiff was also told that lawyers from Monmouth university were also in the Courtroom.
141. On or about December 2015, upon review of Plaintiff's legal information, Defendant McElroy, Deutsch, Mulvaney&Carpenter (Plaintiff's adversary in the malpractice complaint against Suzanne Fico), where also retained by Monmouth university, Defendant Dimenna, and Defendant Jodry, sometime at the end of December 2014.
142. Neither Defendant Lipomanis, nor Defendant Periano disclosed this retainer to the Plaintiff.
143. Plaintiff retained a public defendant who told Plaintiff Defendant Mitchell did not have any information against Plaintiff, since Defendant Mitchell's complaint was based on Defendant Jodry's perjury, and lies.
144. Plaintiff's public defender told Plaintiff he will arrange it so Defendant Jodry, and Defendant Mitchell, were not there the next time she would have to show for Court.
145. Defendant Mitchell's complaint against Plaintiff was dismissed since malicious prosecution is illegal.

#### **ILLEGAL IMMORAL AND UNETHICAL COVER-UP**

146. On August 25<sup>th</sup>, 2015, Plaintiff contacted Monmouth County prosecutor's office to report the crime committed against her to Daniel Newman (hereinafter, "Newman"), and emailed case information related to this crime.
147. Plaintiff was sad and felt sick to her stomach for months since could not understand why any of this happened. She was perplexed why any individual representing credible channels could do something so hateful, sinister, deliberate, unethical, and illegal to anyone, in retaliation solely based on race.
148. Plaintiff was very nervous, and scared to interact with the people she was in touch with at Monmouth county prosecutor's office.

149. The investigation was forwarded to Jennifer Lipp (hereinafter, "Lipp") in the department of Integrity, and Responsibility, since she is responsible for conducting investigations when there is a complaint against an officer.
150. On September 10<sup>th</sup>, 2015, Lipp wrote a letter to Plaintiff indicating she closed the investigation against Defendant Mitchell.
151. On or about October 2015, Plaintiff spoke with Lipp at Monmouth County Prosecutor's Office regarding the letter and Plaintiff's complaint.
152. Lipp confirmed Defendant Mitchell conducted a bias investigation against Plaintiff, which resulted in her torture at Monmouth medical.
153. In the absence of Defendant Monmouth university addressing Plaintiff's true and correct complaints of harassment, stalking, and bullying against her, Defendant Jodry who is caucasian, simply went to Neptune city police, illegally committed perjury and libel slander to Defendant Mitchell, who is also caucasian, in a predominately caucasian County (where the detention of minorities is high).
154. Defendant Mitchell then conducted a bias investigation, approached the people harassing, and bullying her, and created a story to justify Defendant Jodry's false claims, in the absence of approaching Plaintiff and obtaining a factual account of what was going on, to get the true story, which concluded Defendant Mitchell's investigation.
155. Franca Mancini (Caucasian) at Monmouth university then illegally accessed and shared Plaintiff's information to Rafaniello (Caucasian) at Monmouth medical, which is illegal, and unethical in the practice of psychology, nursing, medicine, and social work.
156. Rafaniello illegally accepted it.
157. Anthony Trachta at Monmouth medical illegally signed the paperwork.
158. Franca Mancini illegally accessed Plaintiff's information against and maliciously placed Plaintiff on 'leave of absence' while she was tortured from three months, and where Plaintiff was told, she is still a graduate student, just of leave of absence.
159. Upon information and account, Defendant Mitchell's attorney, and Neptune city police are claiming immunity for the department, and the officer since Defendant Jodry is the individual that committed perjury against the Plaintiff with the Plaintiff's family picture.
160. Upon information and knowledge, Lipp communicated that she closed the investigation against Defendant Mitchell to Edward Kirschenbaum, Mr. Trocchio, and Mr. Quigliano.
161. Plaintiff reproached the Prosecutor's office regarding investigating the white on black crime committed against her, and Lipp, Seely, Newman and Handler refused to reopen the complaint and prosecute the officer, Defendants Jodry, Lipomanis, and Periano.
162. Plaintiff reproached Defendant Kirschenbaum regarding the criminal investigation she has been trying to get investigated on the county level on her behalf.
163. On October 4<sup>th</sup>, 2015, Plaintiff emailed Ed Kirschenbaum, and Mr. Tocchio, and Newman, a new criminal complaint to be addressed at the municipality based on Defendant Jodry's perjury, implicating several people to the crime.
164. On or about October 5<sup>th</sup>, 2015, Kirschenbaum attempted to conspire and torture Plaintiff again in the spirit of properly having this crime addressed through the justice system.
165. Plaintiff still emotionally exhausted and scared filed a claim with the Victim of Crimes Compensation office, and was directed to Nancy Frankie (hereinafter, "Frankie").
166. Frankie indicated she would speak with "Danny", and "Stacey" regarding her complaint.
167. There is reason to believe there is nepotism between Frankie, and Newman, which has prejudiced Frankie's professional responsibility related to the ethical and lawful functioning in her position.
168. Stacey Handler, Lipp, and Jacquelynn Seeley (all Caucasian) refused to reopen and investigate the complaint based on the Plaintiff's statement of truth, and fact.

169. There is reasonable to believe there is nepotism among Lipp, Handler, and Seely, since none of these individuals have been properly terminated related to the Defendant's support of criminal activity, and white on black crime in Monmouth County.
170. Plaintiff rightfully sent ethics complaints to Joseph Casello against Charlene Diana, Handler, Lipp, Defendant Dimenna, Defendant Lipomanis, and Defendant Periano, since the individuals are all attorney's, all of which Joseph Casello refused to investigate, as the Secretary of District IX. Joseph Casello did write Plaintiff to let her know Plaintiff can sue those individuals if she felt 'harmed' in any way.
171. Monmouth County Prosecutor's Office, and McElroy, Mulvaney, Deutsch&Carpenter, LLP., Neptune City police, Keith Mitchell, and Joseph Casello have defaulted in this matter in Monmouth County Superior Court.
172. Plaintiff filed complaint with the VCCO on November 8<sup>th</sup>, 2016.
173. Michelle Williams was overseeing the VCCO claim.
174. There is reasonable suspicion Michelle Williams is not qualified to conduct proper investigations of this caliber of psychological and technological warfare based on white on black crime.
175. There is also reasonable suspicion Michelle Williams is African American.
